	I am withdrawing from all courses and will not continue in any classes.

Student Acknowledgment Section

I acknowledge that by withdrawing from the indicated course(s) I will receive a grade of W, which does not calculate into my grade point average but could have impact on my financial aid at some point. I further acknowledge that I will **only receive a refund if I withdraw from <u>all</u> classes** that I am registered for and that any refund is based on the number of days that have elapsed since the beginning of the term. I also understand that withdrawals processed on this form after the mid-point of the term will result in the grade of WF, which does count in my grade point average in the same manner as the grade of F.
